SOFTWARE

Professional Software for process Servers

PROSERVE is a software program used by Process Servers, Private Investigators, Photocopiers, Sheriffs, Marshalls, & Constables. PROSERVE prepares Proof/Affidavit of Service, Diligence Statements, Postal Forms, Bank Levies, Earnings Withholding Orders, and other documents as required. PROSERVE will give you instant status of all Activities in progress. You can share status reports via fax or e-mail with your Clients & Employees.

PROSERVE provides instant updating of Service Attempts, or Disposition, adding Notes, or changing Routing & Dispatch information. PROSERVE gives you robust Data Entry, Accounting, Collection, Commission, & Management Information tools.

F e a t u r e s

PROSERVE is very efficient, in as much as the average paper takes from 60 to 90 seconds of your precious time to process a Work Order, Proof, Diligence, Postal Form, Invoice, Commissions, and all related reporting.
